The Victorian Junior Cricket Academy

The off-season Academy operates through the months of June and July and is designed to help young players build confidence and work on the technical, tactical and mental aspects of their game.

<p>TECHNICAL</p> 	<p>Cricket is a very technical game and our experienced and accredited coaches will put your batting technique under the microscope in our 'Batting Lab'. They will work through your batting set up and lay the foundations to help you score runs to every part of the ground. They will also identify where you might be leaking power. Our coaches will also examine bowling actions with injury prevention a priority.</p>	
<p>TACTICAL</p> 	<p>In the group training sessions we challenge players by creating scenarios to simulate game day pressure situations. The sessions are designed to get players 'match ready' which means working balls into gaps, turning the strike over, dropping and running, hitting boundaries and improving running between wickets. Bowlers also work on strategy including how to bowl at the 'death' plus set their own fields. They are taught how to create more variation in their deliveries and focus on executing their skills by bowling yorkers, slower balls etc.</p>	
<p>MENTAL</p> 	<p>Cricket is a tough game that punishes lapses in concentration and small errors. You need to be a team player, be focused and have a positive attitude. Players need to build resilience and be mentally strong to deal with pressure, setbacks and disappointment. The game teaches players valuable life lessons including, the harder you work, the luckier you get. Success also builds confidence and cricket is more than a game, it's a microcosm of life. The skills players learn stay with them for life.</p>	

The Academy provides a professional and disciplined learning environment and aims to develop and enhance the skills of each and every young cricketer in the programme. Cricket HQ and our qualified and experienced coaches have a proven record of producing representative players with a number of players going on to play Premier Cricket and represent Victoria and Australia in under-age teams.
