

The Academy is our marquee coaching program for boys and girls aged 7 to 16. The program isn't just for the elite, it caters for players of all abilities and the only pre-requisite is a desire to improve and players must be prepared to work hard.

If your son or daughter is an ambitious young cricketer looking for elite level coaching, the Victorian Junior Cricket Academy HQ provides the perfect training environment. Our coaches strive to help participants fast track their development in all areas of the game including batting, bowling and fielding. Because cricket is also a 'mental' game, we also focus on game day strategies.

We run the academy in conjunction with our Winter Programme and our mission is to set up young cricketers for success. The Academy isn't just for the elite, it caters for players of all abilities. The only pre-requisite is players must be prepared to work hard. Members of the Victorian Junior Cricket Academy incorporates all the benefits of our Winter Programme PLUS players get **an additional ten 30 minute one to one coaching sessions**.

These 10 additional one-on-one coaching sessions on weekdays are generally in the late afternoon or early evening between 4.30pm and 7pm.

Winter Cricket Programme - Value	\$ 440
10 Additional Mid-Week One-on-one coaching sessions - Value	\$ 550
Total Value	\$ 990
PRICE	\$850

The Winter Programme is a structured cricket coaching program that runs for 11 weeks through June, July and August. The programme commences on the weekend of June 6, 2020 and because children can have other weekend sporting commitments, we operate on both Saturdays and Sundays. Participants can attend either day to work around their other sporting pursuits.

The programme focuses on the technical and tactical aspects of the game to deliver a purposeful training experience. Our accredited coaches simulate pressure match situations with a wide variety of skill drills and use the latest technology including BOLA bowling machines and video analysis.

Over the last 5 years we have seen a number of participants (both boys and girls) go on to represent Victoria and Australia in under age teams. We have also seen numerous participants progress to play representative cricket for their association including the South East Cricket Association (SECA), Eastern Cricket Association (ECA) and the South East Bayside Breakers. Dozens of our graduates are now playing Premier cricket.

THE SCHEDULE

<p>JUNE</p>	<p>In June we put your batting technique under the microscope in our Batting Lab. We work through your set up and lay the foundations to score runs across the entire batting 'wagon wheel'. Our analysis also explores ways to help players generate more power.</p> <p>We use state of the art BOLA bowling machines during your weekly 20 minute one-on-one batting sessions and work through the full array of shots. We start with front foot drives then move to back foot pull and cut shots later in the month. The schedule also includes some variation by bowling over and around the wicket.</p> <p>Players are asked to do very little bowling in June.</p> <div data-bbox="794 660 1364 828" style="text-align: right;"> <p>CRICKET HQ BATTING LAB</p> </div>
<p>JULY</p>	<p>In July we continue with the 20 minute weekly batting sessions in the Lab but we shift the focus to competitive game day scenarios to challenge players.</p> <p>In July we also introduce group net sessions where players of similar ages and ability are grouped together for a 30 minute net session each week. As a guide, each player in the group will bat for an additional 7 to 10 minutes in a net and each bowler will bowl for around 20 minutes.</p> <div data-bbox="933 1205 1388 1534" style="text-align: right;"> <p>CRICKET HQ BATTING LAB</p> <p>WWW.CRICKET-HQ.COM.AU</p> </div>
<p>AUGUST</p>	<p>Similar to the July agenda, however, we shift the batting emphasis to T20 power hitting drills. Players also undergo a batting spin class in August with a focus on footwork and decision making.</p> <p>In August we extend the group net sessions and increase bowling loads so players hit the ground running with the start of their club pre-season training. Where appropriate, we introduce some cricket specific strength and conditioning activities in the HQ gym.</p> <div data-bbox="1157 1646 1372 1915" style="text-align: right;"> </div>
